

such help, teams and implements as he may deem necessary for the working, repairing and constructing of said roads and bridges, to be paid for out of the levy made therefor as aforesaid by the County Commissioners. He shall have charge and control of all teams, carts, wagons and other machinery and implements which may be purchased for the use of said roads. He shall not work out or expend on the roads or bridges of said county a greater sum in any one fiscal year than the amount levied by the County Commissioners for this purpose. He shall appear before the commissioners at their first meeting in each and every month and make a statement to them of the work done and money expended. He shall examine and certify to the correctness of all bills and accounts for any work done or materials furnished for any of the public roads or bridges in Somerset County before the same shall be paid, and no payment shall be made until such accounts have been certified by him. He shall make out annually, in writing, a detailed report of all work done on the county roads and bridges for the year, together with the names of all persons working on said roads and bridges, and the amount to which each person is entitled for such work, and which he has certified as correct, which report shall be made before the first day of July for the year ending on the first day of March, and in making such report he shall be allowed the services of a stenographer and typewriter, to be paid a sum not to exceed twenty-five dollars for such service. Said County Road Engineer shall not be interested in the business of any person, firm or corporation from which anything shall be purchased for the use of said roads or bridges, or receive any commissions on any purchase so made.

SEC. 232. The County Road Engineer may appoint District Road Supervisors, but not more than one Supervisor for any precinct or district of Somerset County, who shall be paid such wages or salary as said Road Engineer shall prescribe, and it shall be the duty of said District Road Supervisor to take charge of and manage the work on the public roads and bridges in the district or precinct for which he is appointed, subject to the control and direction of the County Road Engineer, and he shall perform such other duties as the County Road Engineer may prescribe, and may be removed at any time by the said County Road Engineer.

SEC. 233. Any person appointed under the provision of this Act whose duty it shall be to keep accounts or make reports who shall fail to do so, or who shall wilfully make any false report or account, shall be liable to indictment by the Grand Jury of Somerset County, and, if convicted in the Circuit
