69A. The Comptroller of the State Treasury shall pass one-half of the amounts paid in by the buyers, as provided in Section 69, to the credit of a fund to be known as a "Natural Oyster Bed Re-Shelling Fund."

120. It shall be the duty of the Board of Shell Fish Commissioners to take such measures as in their judgment shall seem best calculated to increase the productivity of the natural oyster beds or bars of the State, and the expense of so doing shall be paid out of the Natural Oyster Bed Re-Shelling Fund, upon requisition made by the Board of Shell Fish Commissioners, endorsed by the Comptroller of the State.

121. For the purpose of performing the duties imposed upon the Board of Shell Fish Commissioners, by Section 120, they shall employ a superintendent of natural oyster beds, at a salary of \$100.00 per month, beginning April 1st, and ending September 30th, payable monthly, and it shall be the duty of such superintendent, under the direction of the Board of Shell Fish Commissioners, to give personal supervision to the work of re-shelling the natural oyster beds, done by the order of the Board of Shell Fish Commissioners.

122. That the Board of Shell Fish Commissioners shall purchase from the lowest responsible bidder, shall at such places and in such quantities as they may need for the purpose of re-shelling the natural beds, and in inviting proposals for such shells they may prescribe that the shells shall be delivered to the superintendent of natural beds, or to his order, at some convenient place for the shipment of the said shells, or they may require that the said shells shall be delivered by the sellers thereof on such particular natural bed or beds as the Commission may then be engaged in re-shelling, and may require the seller of such shells to distribute them under the direction and control of the superintendent of natural beds. If they shall buy such shells to be delivered otherwise than on the natural beds, the Board of Shell Fish Commissioners shall have the power to cause the said shells to be taken from the place at which they are delivered to the said superintendent of natural beds to the said natural beds, and to cause the said shells to be there, under the superintendent, or the superintendent of natural oyster beds, properly distributed on the
