

persons and corporations supplying facilities for the transmission of intelligence by electricity, and shall have power to order such improvements as will best promote the public interest and protect those using telephones and those employed in the business thereof or in the maintenance and operation of the works, wires, poles, lines and conduits maintained therein.

(3) Shall have power, in its discretion, to prescribe and require items, methods of keeping accounts, records and books to be furnished by the persons and corporations engaged in the furnishing of facilities for the transmission of intelligence by electricity.

(4) Shall examine all persons and corporations under its supervision as to the methods employed by them in the transaction of their business, see that their property is maintained and operated for the reasonably adequate accommodation of the public and in compliance with the provisions of law and of their franchise and charters.

(5) Shall require every person or corporation under its supervision to submit to it an actual report, verified by the oath of the president, treasurer or general manager, showing in detail (a) the amount of its authorized capital stock and the amount thereof issued and outstanding; (b) the amount of its authorized bonded indebtedness and the amount of its bonds and other forms of evidence of indebtedness issued and outstanding; (c) its receipts and expenditures during the preceding year; (d) the amount paid as dividends upon its stock and as interest upon its bonds; (e) the name of and the amount paid as salary to each officer, and the amount paid as wages to its employees; (f) the situation of its plant or plants and system, with a full description of its property and franchises, stating in detail how each franchise stated to be owned was acquired, and (g) such other facts pertaining to the operation and maintenance of the plant and system, and the affairs of such person or corporation, as may be required by the Commission. Such reports shall be in the form, cover the period and be submitted at the time prescribed by the Commission. The Commission may, from time to time, make changes and additions in such forms, giving to the persons and corporations three months' notice before the time fixed by the Commission as the expiration of the fiscal year of any changes or addition which would require any alteration in the method or form of keeping their accounts for ensuing year. When any such report is defective, or believed to be erroneous, the Commission shall notify the person or corporation making such report to amend the same within thirty days. Any such person or corporation which shall neglect to make any such report within the time specified by the Commission, or which shall fail to correct any such report within fifteen days after notice, shall be liable to a penalty of one
