

of the respective districts, with the power to the Baltimore County Roads Engineer to suspend any district road supervisor who in his judgment does not faithfully perform his duties in reference to the work to be performed under this Act, with the right of such supervisor so suspended to be reinstated by the Highways Commission of Baltimore County, if upon public hearing the written charges which cause the suspension shall not be sustained. The said district roads supervisors as compensation to them for the additional duties imposed upon them by the provisions of this Act shall receive a sum not exceeding two hundred and fifty dollars (\$250) per annum, in addition to the salary now received by virtue of his position as road supervisor of his respective district, and shall make no expenditure on the work constructed and performed under the provisions of this Act without first obtaining the express authority of the Baltimore County Road Engineer, and shall with the consent of said engineer, have power to discharge employees for neglect of duty, whether the same were employed by them or by the Good Roads Commission of Baltimore County direct. The said road supervisors shall keep books showing in detail the expenditures made by them, or under their supervision, on each road in their respective districts improved or constructed under the provisions of this Act, including the cost of all materials used and labor expended, and shall furnish on or before the tenth day of each month to the Baltimore County Roads Engineer a copy of such itemized statement of their expenditures for the preceding month, and this report shall be separate, clear and distinct from any work done by the Highways Commission of Baltimore County. No bills so reported shall be paid until they shall have received the approval of the roads engineer and the Good Roads Commission of Baltimore County. No road supervisor shall have any pecuniary interest in any contract, nor shall furnish any team for any road work done under this Act except in such cases as the Good Roads Commission of Baltimore County shall specially authorize in advance by an order duly entered on its records.

SEC. 368G. All matters pertaining to and affecting the public highways, bridges, streets, lanes and alleys of the county which shall be improved, constructed, located or built by the Good Roads Commission of Baltimore County under the provisions of this Act shall, so far as such work is concerned, be under the general control and supervision of said commission, which commission is hereby given, so far as said work authorized by this Act is concerned, the same powers as now held and possessed by the Highways Commission of Baltimore County, except that the Good Roads Commission of Baltimore County shall not enter into any contract in reference to said road work
