

order removing said engineer from office, in which case the said engineer shall not be entitled to receive any salary from the date of the order of the County Commissioners from which such appeal is taken.

SEC. 118<sup>a</sup>. The County Road Engineer shall reside in Cecil county during the term of his office, and shall have entire charge, control and supervision of the working, repairing and reconstructing of the public roads and bridges in Cecil county, and shall make all specifications for the building of new roads and bridges. He shall employ such help, teams and implements as he may deem necessary for the working, repairing and reconstructing of said roads and bridges, to be paid by the County Commissioners; provided that he shall not employ any person or persons to be paid a greater amount than one dollar and twenty-five cents per day without first obtaining the written consent of the County Commissioners, for each person so employed. He shall have charge and control of all teams, carts, wagons and other machinery and implements which may be purchased by the County Commissioners for the use of said roads. He shall not work out or expend on the roads and bridges of said county a greater amount in any one fiscal year than the amount levied by the County Commissioners for the purpose without obtaining the permission in writing of said Commissioners. He shall appear before the Commissioners at their first meeting in each and every month, and make a detailed statement to them of the work done and money expended. He shall examine and certify to the correctness of all bills and accounts for any work done or materials furnished on any of the public roads or bridges in Cecil county before the same shall be paid by the County Commissioners, and said County Commissioners shall make no payment until such accounts have been certified by said engineer. He shall make out annually, in writing, a detailed report to the Commissioners of all work done on the county roads and bridges for the year, together with the names of all persons working on said roads and bridges and the amount to which each person is entitled for such work and which he has certified as correct; which report shall be made on or before the fifteenth day of July for the year ending on the thirtieth day of the preceding June; and in the making of said report he shall be allowed the services of a stenographer and typewriter, to be paid by the County Commissioners a sum not to exceed twenty-five dollars, for such services. The said County Road Engineer shall not be interested in any firm or corporation from which anything shall be purchased for the use of said roads or bridges, nor shall he receive any commissions on said purchase or purchases.
