

County to pay the costs of the same, shall stay further proceedings until said appeal may be heard. The said county road engineer shall furnish said examiners with a plat showing the proposed location and profile of such outlet or watercourse; and for the purpose of making such plats and profile the said county road engineer is authorized to go upon any private property through which said proposed outlet or watercourse shall pass and to make whatever survey or surveys that he may deem necessary for such purposes; provided, that any such outlet or watercourse shall not be opened so as to pass through the buildings, gardens, yard or burial ground of any person without the consent of the owner in writing. In case the said county road engineer shall find it necessary to obtain gravel lying along or within three miles of the line of any road in Charles county for the grading or repairing of any such road, he may make such agreement as he may see fit with the owner or owners thereof for securing the same, and if no agreement can be made he shall report the same to the County Commissioners, who shall proceed in like manner as above set forth for the condemnation of land for outlet or watercourse; provided, however, that the notice required for entering upon lands, whether for the condemnation of the same for outlets or watercourses, or for condemning the land for obtaining gravel thereout of, or for condemning such quantity of gravel as may be needed thereout of, shall be in no event less than ten days, and only such time in excess of that, if any, as the examiners may see fit to give.

SEC. 160c. The County Commissioners of Charles County shall levy annually on the assessable property of the county, for the use of the roads and bridges of the county a sum of money not less than eight thousand dollars nor more than twelve thousand dollars. No expenses for traveling purposes of any kind shall be allowed to said engineer except to the extent that he may be ordered to go out of the county, and then only for such expenditure as may upon proper vouchers be approved and ordered by a vote of the Board of County Commissioners entered upon the minutes of the said board, not to exceed the sum of one hundred dollars, in any one year. And it is further provided that the limitation of the number of the supervisors herein set forth shall not prevent the aforesaid County Commissioners from employing extra supervisors or laborers in work needed upon any new road which may have been or shall hereafter be open in accordance with law by the County Commissioners of the county, to be paid for out of funds other than those set aside for the purposes of this Act.

SEC. 2. *And be it enacted*, That all Acts or parts of Acts inconsistent with the provisions of this Act be and the same
