

names of all persons working on said roads and bridges, or furnishing material, and the amount to which each person is entitled for such work and material and which he has certified as correct, which report shall be made on or before the 15th day of June for the year ending on the thirty-first day of the preceding May, and in making of said report shall be allowed the services of a stenographer and typewriter, to be paid by the County Commissioners a sum not to exceed twenty-five dollars for his services. The said County Road Engineer shall not be interested in any firm or corporation from which anything shall be purchased for the use of said roads and bridges, nor receive any commissions on said purchase.

167f. The County Road Engineer may appoint District Road Supervisors, but not more than one Supervisor in any election precinct or district of Kent County, who shall be paid three dollars per day's actual work in supervision, when certified to by the said Road Engineer to the County Commissioners, or less if said Engineer in his discretion finds he can obtain as good service for less, and certifies to Supervisor's bill a less rate; and it shall be the duty of said District Road Supervisor to take charge of and manage the work on the public roads and bridges in the district or precinct for which he is appointed, subject to the control and direction of the County Road Engineer; and he shall perform such other duties as the County Road Engineer may prescribe, and may be removed at any time by the said County Road Engineer.

167g. Any person appointed under the provisions of this Act whose duty it shall be to keep accounts or make reports, who shall fail to do so, or who shall wilfully make false reports or accounts, shall be liable to indictment by the grand jury of Kent County, and, if convicted in the Circuit Court thereof, shall be fined a sum, in the discretion of the Court, not exceeding three hundred dollars, and shall make good the loss arising from such neglect of duty or fraud.

167h. Whenever any person or persons shall desire to improve any public road in said county to an extent beyond that contemplated by the County Road Engineer, he or they may make application to the County Commissioners by petition, setting forth the location of the road to be improved, the extent and character of the improvement and the probable cost thereof, and the said County Commissioners shall thereupon order the County Road Engineer to examine the location and purpose set forth in the petition, and if he shall be of the opinion that the public interest will be promoted thereby he shall report his determination to the County Commissioners, setting forth his reasons for such determination, and estimate
