

than fourteen thousand dollars (\$14,000) issued at any time, then the bonds of such issue shall be redeemable in the above proportion annually, so that the whole series and the whole issue of bonds shall be paid off and redeemed not more than twenty years from the date of each and every bond issue; and be it further provided, that where the amount required to be redeemed of any issue in any given year is more than the even sum of any given number of bonds, it shall be the duty and right of the said Mayor and Council to redeem and pay in the said year the whole of any bond a part of which may be necessary to cover the amount required to be redeemed in that year; and to this end the said Mayor and Council shall issue said bonds numbered in regular order and redeemable as numbered, commencing with the lowest numbers. The bonds of each issue shall be sold only after due advertisement of not less than once a week for three weeks in two papers published not less than once a week in Montgomery county, Maryland, at public sale or at private sale, in the discretion of the said Mayor and Council; provided that none of the said bonds shall be sold for less than par. The Clerk and Treasurer shall keep a book, to be especially provided, and record therein the serial numbers of the bonds, and the names and addresses of the original purchasers.

SEC. 3. *And be it enacted*, That the said Mayor and Council of Garrett Park shall have authority and are hereby empowered to levy annually a special sewerage tax sufficient to pay such bonds as may be issued, and the interest thereon, as the said bonds and interest or coupons may severally mature, as herein provided, which said special tax shall be levied against each town lot, or groups of contiguous town lots, under one ownership, vacant or occupied, which may be served by the said sewerage system, in such proportion of the total amount required as the total number of front feet in such lot or lots bear to the number of front feet in all lots which may be served by the sewer installed, or to be installed, by the expenditure of the funds realized from the sale of said bonds; provided, however, that where a corner lot fronts or abuts on two streets, both containing sewers, requires but one service, the front feet shall be computed for the purpose of this assessment as one-half of the total number of front feet in such corner lot bordering on both streets. The costs of maintenance shall be assessed equally against the owners of the houses or other structures served by the sewer, and shall be due and payable bimonthly, in advance. And the said special tax and all assessments for the maintenance and service charges shall be liens upon the assessable property of said town against which they are levied. The said taxes or assessments shall be collected in like manner
