

MR. ROBERT A. ELLIOTT.

Mr. Robert A. Elliott, deceased, one of Baltimore's leading Funeral Directors, was born in this city on February 22nd, 1864. He learned the undertaking business under the late John Jordan, who was one of the most prominent colored Funeral Directors 40 years ago. For 13 years he worked for the late undertaker, William Hickman, after which he started in business for himself 20 years ago, and soon had the reputation of being the leading colored undertaker in the city. He was noted for his many quiet charitable acts; no case of need failed to arouse his sympathy and aid.

He married Miss Bettie Eye, of Charles County, Maryland, sister of Messrs. Felix B., Edward W. and John A. Eye. Mrs. Elliott has been a most capable and dutiful wife, faithful in life and death, and has worked unceasingly, both night and day, to further the interest of her husband's business.
