

JOSEPH P. EVANS.

Mr. Evans is a great organization man, who is at present filling many positions, namely: Grand Master of Masons for Maryland jurisdiction, member of all branches of the fraternity; treasurer-general, H. E., of the Supreme Council (33rd), A. A. A. S. rite, for the Southern jurisdiction. He is also the Supreme Ruler of the Order of Galilean Fishermen of the United States, West Indies and Panama. He is organizer and president of the Colored Barbers' Union, the only one in the State, and is connected with many other societies. A believer in race enterprise, Mr. Evans is the owner and proprietor of one of the leading cosmopolitan shaving parlors in the city. It was through Grand Master Evans' efforts that the craft secured the recently acquired \$35,000 site for a new Masonic Temple. He has traveled extensively, and to know him is to admire him, for he is a born hustler.

W. I. BUTLER, JR.

Mr. W. I. Butler, Jr., the manager of Walters Public Bathhouse, Argyle Avenue, is one of Baltimore's widely-known sons, having been a trustee of Sharp Street Memorial Methodist Episcopal Church since he was barely out of his teens. He is prominently connected with the Masons and Pythians. We are pleased to learn through reports how well the bathhouse is prospering under his management, and we are sure we voice the sentiment of the citizens in wishing him continued success.
