

**BOYKIN'S BI-WEEKLY FREE CLINIC FOR BABIES and
CHILDREN**

1380 N. CALHOUN ST., BALTIMORE, MD.

C. & P. Phone.

**Dr. Wm. Rutherford Boykin, Specialist
Diseases of Women, Children and Babies**

The doctor is known throughout New York State where he began specializing in his chosen profession; and gained the true confidence of men of renown in the healing art of Medicine as to his superior ability in handling diseases of women, children and babies.

Dr. Wm. R. Boykin is the only Negro Specialist of this character in the whole State of Maryland. He has organized at his modernly-equipped office a BI-WEEKLY CLINIC for the FREE TREATMENT OF ALL BABIES AND CHILDREN.

He has a trained nurse who carefully sees after all incoming patients to his office and clinic rooms.

His fifteen years of experience is worth while your consideration when it comes to diseases of women, children and babies.

The Doctor contemplates erecting a sanatorium in the near future, to accommodate his lucrative practice, that has come to him by reason of his superior ability in handling his specialty.
