"The Communist Political Association is a non-party organization of Americans which, basing itself upon the working class, carries forward the traditions of Washington, Jefferson, Paine, Jackson and Lincoln, under the changed conditions of modern industrial society . . . .

"It is shaped by the needs of the nation at war . . . ; it recognizes that victory for the free peoples over fascism will open up new and more favorable conditions for progress; it looks to the family of free nations, led by the great coalition of democratic capitalist and socialist states, to inaugurate an era of world peace . . . and the liberation and equality of all peoples regardless of race, creed or color."

(From the Preamble to the Constitution of the  
Communist Political Association)
