

We, the undersigned, having seen J. T. King's Patent Washing Apparatus in operation at the Fair of the Maryland Institute, have no hesitation in saying that it will accomplish all he claims for it. The most soiled Clothing were put into the apparatus, and in 5 minutes came out perfectly clean and looked much whiter than when washed by the old process. JOHN S. SELBY, Agent of the Maryland Institute; Zenus Barnum, Barnum's Hotel; Wm. Guy, U. S. Hotel; John F. Meredith, B. C. S. Bennett, Jas. Henderson, S. T. Taylor, Haywood, Bartlett & Co., Joseph Simms, S. B. Sexton.

To this Apparatus was awarded the 1st Premium, a Gold Medal, at the late Fair of the Maryland Institute.

THE JUDGES WERE—John H. B. Latrobe, Thomas Winans, John G. Milholland, Wm. Bodman, Talbot Denmead, Robert Poole.

SPECIAL COMMITTEE—Johns Hopkins, Wm. H. Harrison, David Hays, J. C. Wilson.

COMMITTEE ON AWARDS—J. Vansant, James Murray, Wm. Bayley, G. R. Dodge, Thomas Trimble, Hugh Bolton, Enoch Pratt, A. Flannagan, James S. Suter, G. W. Bentley, Henry Snyder.

We still continue to Manufacture King's Magnetic Washing Liquid, by the use of which in a common boiler ($\frac{1}{2}$ pint of liquid to 10 gallons water) a Family's Washing may be done in about an hour. The pure liquid will not injure the finest fabric. There are now over a thousand families in this city who use it regularly.
