FOREIGN STEAM PACKETS.

BETWEEN THE UNITED STATES AND ENGLAND.

Cunard's Line, from Liverpool to Boston, leaves each port twice every month. *Steam Navigation Co's Line* from Liverpool, London and Bristol, to New York.

Each of the above lines carries a Mail, but Cunard's is free to Liverpool, except that the inland postage from the place of deposit to Boston must be paid. The rates of postage from New York are as follow: Government postmasters of the place where letters are deposited, are authorized to receive: for single letters 25 cents; double letters, 50 cents; triple letters, 75 cents; quadruple letters, \$1; packages of letters per oz. \$1; Newspapers, each 2 cents; Magazines, Pamphlets, &c. per sheet, 2 cents.

Mail Arrangement.

Letters to be sent by Packets for England, as above, require, besides the American postage, that a freight postage of 12½ cents for each single letter, 25 cents for each double one, and so on, should be paid in advance.

By arrangements between the two Governments, mail matter for the British possessions in North America is forwarded, and received, whether prepaid or not.

Papers and letters for *Texas,* may be sent by paying the postage to *New Orleans.*

Letters for any part of the world, will be forwarded by the first opportunity from New York, if the inland postage be paid to that city.
