

SUFFOLK WORKS,

WEST PRATT STREET,

Near Mount Clare Depot, B. & O. R. R. Co.

BALTIMORE.

THE UNDERSIGNED HAVING THEIR

IRON FOUNDRY AND MACHINE SHOP

In full operation, are prepared to furnish Castings of every description, (heavy or light,) at the shortest notice, and of the best quality.

Patterns of all kinds made to order. Machinery repaired and fitted up on the most reasonable terms.

CAR WHEELS AND AXLES

Made and Fitted in the best manner.

We also continue to manufacture our improved

HORIZONTAL STEAM ENGINES,

Which are so universally liked for Saw and Grist Mill purposes. Also,

UPRIGHT AND CIRCULAR SAW MILLS, PORTABLE GRIST MILLS,

From thirty inch French burr to five feet in diameter. These Mills are particularly adapted to Plantation and Country purposes, as they are fitted up entirely within themselves, and require no especial building for their reception.

Steam Boilers, Generators, Water Tanks, &c.

MADE TO ORDER, AND OF THE BEST MATERIAL.

Plans, Drawings, and Specifications for Machinery, &c., furnished to any part of the country.

All communications by mail will receive prompt attention. By strict personal attention to our business we hope to merit a liberal share of the public patronage.

AMES & GREEN.

☞ All work done at our establishment warranted to give entire satisfaction.
