

The capital stock may be increased.

Sec. 8. *And be it enacted*, That if the capital stock of said company shall be deemed insufficient for the purposes of this act, it shall and may be lawful for the President and Directors of said company, or a majority of them, from time to time, to increase the said capital stock by the addition of as many shares as they may deem necessary, for which they may, at their option, cause subscriptions to be received in the manner prescribed by them, or may sell the same for the benefit of the company, for any sum not under their par value, and that they, or a majority of them, shall have power to borrow money for the objects of this act, to issue certificates or other evidence of such loans, and to pledge the property of the company for the payment of the same and its interest.

President and Directors invested with rights and powers.

Sec. 9. *And be it enacted*, That the President and Directors of said company shall be and they are hereby invested with all the rights and powers necessary to the construction and repair of a railroad from the line of the District of Columbia by the most eligible and central route through Montgomery county, crossing the Baltimore and Ohio railroad at Monocacy Junction, or some convenient point within one mile thereof, to the city of Frederick, in Frederick county, thence by the most convenient and practicable route through Frederick county and Washington county to Hagerstown, not exceeding sixty-six feet wide, with as many sets of tracks as the said President and Directors or a majority of them may deem necessary, and they, or a majority of them, may cause to be made, or contract with others for making said railroad or any part of it, and they, their agents or those with whom they may contract for making any part of the same or their agents, may enter upon and use and excavate any land which may be wanted for the site of said road, and the erection of warehouses or other works necessary to said road, or for any other purpose necessary or useful in the construction or repair of said road, or its works, and that they may build bridges, may fix scales and weights, may lay rails, may take and use any earth, timber, gravel, stone or other materials, or any improvements which may be wanted for the construction or repair of any of said roads or of any of their works, for the purchase or use and occupation of
