

Sec. 2. *And be it enacted*, That as soon as the said company shall have put in complete repair, as aforesaid, not less than two miles of said road, commencing at the southern terminus thereof, and so on from time to time every additional mile of said road progressing, they shall erect such and so many gates upon and across said road as will be necessary and sufficient, and at said gates shall be entitled to collect the tolls which the said company were by law entitled to collect before the passage of this act. Tolls and toll-gates.

Sec. 3. *And be it enacted*, That unless the said company shall, within two years from the date of the passage of this act, put in complete repair, as aforesaid, at least four miles of said road, the whole of said road shall revert to the County Commissioners of Cecil county, and the said company shall forfeit all claim thereto, and all right forever afterwards to collect tolls thereon; *provided*, that the repair of four miles of said road, as aforesaid, shall in nowise give the said company the right to collect tolls or retain possession of the other portions of said road which shall remain out of repair after the expiration of said two years; but all such other portions of said road which shall remain out of repair after the time specified as aforesaid, shall revert to the County Commissioners of Cecil county. Company may forfeit.

Proviso.

Sec. 4. *And be it enacted*, That after the said company shall put up gates upon said road, they shall keep said road at all times in thorough order and repair; and in case they shall negligently permit said road to be out of repair, so as to impede the transportation of persons or property over the same, and shall not use due diligence in the repair thereof, they shall be liable to indictment, and if found guilty, shall pay a fine of not more than one hundred dollars in the discretion of the court. Road to be kept in repair.
