

and for the purchase of all property or properties necessary thereto, and for the selection and determination of all streets, routes or sections within the town of Hurlock to be covered or served by these systems, and said "Hurlock Public Utility Commission" shall decide and determine, according to their best judgment, what materials or property shall be used or acquired for the building or construction of said systems, and said Commission shall also determine, according to their best judgment, what price or prices shall be paid for the purchase of the existing water works and electric light systems now operating in the town of Hurlock, in the event that the said Commission shall determine that it is expedient or advisable to purchase or acquire either or both of said existing systems. And the said "Hurlock Public Utility Commission" shall make all contracts for the work of building, constructing or acquiring water works, electric light and sewer systems for the town of Hurlock, on the part of said town, such contract or contracts to be in writing and to be executed on their part by the signatures of their Chairman and Secretary; and in carrying out the objects of this Act they may call to their assistance a skilled engineer or engineers or other person familiar with the construction costs and value of modern water works, electric light and sewer systems, and may make such agreements as to compensation for duties with such engineer, engineers, or other person, as they may deem wise or advantageous. They shall keep minutes of their proceedings and other records and books necessary to the proper administration of the duties herein imposed upon them, such minutes of records to be opened and inspected by any taxpayers, and to be turned over after the completion of their work herein authorized, to the custody of the "Commissioners of Hurlock."

SEC. 7. *And be it enacted*, That in discharge of the contracts entered into by them for the work herein authorized, the said Commissioners shall issue a warrant on a majority vote, to be signed by their Chairman and Secretary, for the payment of the money due under the said contract, upon the Treasurer of the town of Hurlock, and the said Treasurer shall pay such warrants out of the funds in his hands applicable to the purposes of this Act. The Treasurer shall not otherwise disburse the money in his hands, as provided for in this Act, than upon the warrant of the said Commission executed as aforesaid.

SEC. 8. *And be it enacted*, That all other expenses connected with building, constructing or acquiring the water works, elec-
