

convene regularly, once each month, or oftener, not exceeding four times a month, however, should there be business of sufficient importance or volume to warrant and at such points as may be best suited to the business under consideration. The compensation to be paid the members of said Commission for the duties placed upon them by this Act shall not exceed the amount of two hundred and fifty dollars (\$250) each in any one year. It shall be individually a sum bearing the same ratio to the above maximum as the number of meetings attended by the members bears to the total number of meetings held within any year. The Clerk of the said Board shall act as Secretary of the said Commission. He shall keep in a suitable book a permanent record of the proceedings of the Commission and the title of said volume shall be "Proceedings of the Board of County Commissioners," with the sub-title "Sewerage and Drainage." The Commission shall also cause to be kept by the Treasurer of the County, an accurate itemized account of all moneys received, and expenditures made in fulfilling the purposes and intents of this Act. The title of said volume shall be "Fiscal Report of the Board of County Commissioners" with the sub-title "Sewerage and Drainage." The above volume and all other records of the Commission are hereby made a part of the official records of Montgomery County and are to be accessible to the taxpayers of the said County on request. The Public Health Officer of said County shall act as Sanitary Inspector for said Commission. He shall render to it, and to the State Board of Health, at such times and in such manner, and in such form as each may prescribe, reports on the conditions affecting the public health in said County. The compensation allowed the Public Health Officer for the performance of such additional duties as this Act necessitates shall not exceed the sum of six hundred dollars (\$600) per annum.

468-A. *Be it further enacted by the General Assembly of Montgomery County* shall be charged with the duty of project-Maryland, That the Sewerage and Drainage Commission of ing, constructing and establishing or maintaining, by contract or otherwise, alone or in co-operation with second parties, within or without said County, sewerage and drainage systems, whenever, in their opinion the public health, welfare or convenience of said County so requires.

The said Commission shall have full power and authority and the same is hereby expressly delegated to them, to provide, pass and adopt reasonable rules, orders, regulations for
