

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That Section 195 of Article 2 of the Code of Public Local Laws, title "Anne Arundel County," sub-title "Roads," as the same was enacted by Chapter 654 of the Acts of 1908, be and the same is hereby repealed and re-enacted so as to read as follows:

SEC. 195. The County Road Engineer shall reside in Anne Arundel County during the term of his office, and shall devote his entire time to the discharge of his duties as such Engineer; he shall have charge and supervision of such working, repairing and reconstructing of the public roads and bridges in said County as shall be determined upon by the County Commissioners of Anne Arundel County, and shall make all specifications for the building of such new roads and bridges as shall be determined upon by said County Commissioners, and shall do such work on said roads and bridges as he may be directed to do by said County Commissioners. He shall, under the direction of the County Commissioners have charge and control of all teams, carts, wagons, machinery, implements and accessories which may be purchased or provided by the County Commissioners for the purpose of this Act; and shall employ such labor, teams and implements as may be by him and by the County Commissioners deemed necessary in connection with work on public roads and bridges to be paid for by the County Commissioners. He shall not work out or expend upon the roads and bridges of any district of the County a greater amount in any one fiscal year than the amount levied in such district by the County Commissioners as a district road tax, nor shall he expend in any fiscal year upon County roads and bridges a greater amount than is levied or appropriated by the County Commissioners therefor without first obtaining the written permission of said Commissioners so to do. He shall appear before the County Commissioners at their first meeting in each and every month and make a full and exact statement to them of all work done or contemplated by him of all money expended. He shall examine and certify to the correctness of all bills and accounts for work and materials on or for any of the roads or bridges of Anne Arundel County before the same shall be paid by the County Commissioners, and no payment for such work or materials shall be made before the account therefor has been certified by the County Road Engineer. He shall not purchase or order any materials of any kind whatever or make purchases of any description in the name of the County
