

Commissioners are hereby directed to pay annually to the proper authorities of the incorporated towns in the County, three-fourths of such part of said road and bridge taxes as may be realized each year from the property within the limits of the respective towns. Nothing herein contained shall be construed to prevent the County Commissioners of Prince George's County from levying in addition to the road and bridge fund herein provided for, or from appropriating any sum or sums of money necessary for the building of roads under any State Aid Road law now or hereinafter in force in this State, but on the contrary the said County Commissioners shall each year levy an amount necessary to take up such funds as they may think will be provided by the State authorities in the succeeding year for State-aided roads in Prince George's County, and it shall be the duty of said County Commissioners to use the amount of said levy to carry on as far as possible a scheme of construction of State-aided roads in Prince George's County, and all powers given the authorities of Prince George's County by the General Laws of the State for the purpose of building such roads are hereby especially confirmed and vested in the Board of County Commissioners of Prince George's County.

The Board of Road Directors created by Chapter 90 of the Acts of 1910, shall immediately upon the passage of this Act, pay over to the Board of County Commissioners all sums of money on deposit to the credit of said Board of Road Directors or in their hands or control individually or otherwise, which are a part of the road and bridge funds received by said Board of Road Directors from the County Commissioners or from the Board of Liquor License Commissioners of Prince George's County and said Board of Road Directors and Board of County Commissioners shall pay over to the Board of County Commissioners the amount on deposit to the joint credit of the said Board of Directors and the Board of County Commissioners, said fund being known as "Redemption and Interest Account" and "Equipment Fund," and said Board of Road Directors shall immediately, after the passage of this Act, surrender to the Board of Road Directors hereby created all personal property, equipment, machinery, etc., which has been purchased by them or by the Road Engineer, mentioned in said Act of 1910, from time to time for the use of the public highways of said County.

SEC. 285. All monies for the use of roads and bridges in Prince George's County from whatsoever source the same may
