

be derived shall be deposited by the Board of County Commissioners in one or more banks of said County to the credit of said Board, specially as County road funds. The total sum so received shall be used as follows:

The Board of County Commissioners shall first deposit to the credit of a separate account, to be known as the "Redemption and Interest Account" in some bank located in Prince George's County a sum sufficient to meet the payment of principal and interest on the bonds authorized under Sections 287 and 288 of this Article in order that the said bonds may be redeemed and cancelled and the interest thereon paid as prescribed therein. They shall then put aside, as a general fund, sufficient money to pay their own compensation for the duties imposed upon them under this Act, which compensation shall be \$200.00 per year each, to pay the salary of the Clerk and Secretary to the Board of Road Directors, which shall not be more than \$300.00 per year, to pay the salary of the six Road Directors which shall be \$840.00 per year each and to pay such other amounts as may be otherwise properly payable by them out of such fund, under the provisions of this Act, including the rebate to incorporated towns. They shall then divide the remainder of said money into six equal parts each of which parts shall be thereafter devoted exclusively to one of the six Road Districts and each of these parts shall be then apportioned by them to the Election Districts or parts of Districts in the Road District to which said part belongs, each Election District receiving as nearly as possible the proportion of said money which its road mileage bears to the total road mileage of its Road District and after such apportionments are made no portion of said money shall be diverted from the Election District to which it has been apportioned. In case there shall not be sufficient money available in any year to start work before the amount of the levy for such year is available, the Board of County Commissioners are hereby authorized to use any surplus funds which they may have in and during the months of March and April up to the sum of \$10,000.00. In case such funds are used the Board of County Commissioners shall repay the same out of the first monies received from the road levy of that year. Each Road Director shall be allowed to hire teams for emergency work in his Road District, but shall not use in this way an amount greater than \$200.00, in any one year in his entire Road District.
