

is to be exclusively used for the purposes of this Act, and all taxes levied and collected as hereinafter provided, and all monies collected from any assessments, sewer rentals or charges, or from any other source for the use of said fund or on account of said sewerage system or systems, shall also be kept as a separate fund by said Treasurer of Baltimore County.

SEC. 8. *And be it further enacted,* That the County Commissioners of Baltimore County be and they are hereby authorized and directed to levy annually upon the assessable property in Baltimore County, as a part of the annual levy in each year a sum sufficient to pay the interest upon said bonds so by them to be issued, and also the principal of said bonds as they respectively mature and fall due.

SEC. 9. Upon the completion of any sewerage system in Baltimore County the Board of County Commissioners of said County shall have the power and authority with the approval or upon the recommendation of the State Board of Health to require any owner of property within a reasonable distance of any sewer constructed, established or maintained under this Act, to connect all water closets and toilets upon his property therewith, the said sewers being intended for sanitary sewerage only, and no storm or surface water or drainage shall be permitted to enter or flow into said sewer or sewers, and any person or corporation failing to make such connections within ten days after receiving notice from said County Commissioners that such connection is required to be made shall be guilty of a misdemeanor and pay a fine of ten dollars for each and every day after the expiration of said thirty days that such connection is not made, and the directors of any corporation failing to make such connection when so required shall each be guilty of a misdemeanor and shall each pay a fine of ten dollars for each and every day said corporation shall fail to make such connection after the expiration of said period of ten days; said fines when collected to be paid to the County Commissioners of Baltimore County, and to be enforced and collected as other fines for the violations of laws of the State of Maryland are enforced.

SEC. 10. *Be it further enacted,* That the said County Commissioners of Baltimore County may upon the completion or establishment by purchase or otherwise of any sewerage system by Baltimore County establish just and equitable annual charges or rents for the use of such sewers to be paid by every one who enters his sewer into the common sewer. All revenues derived from annual rents or charges for the use of such sewers, in
