

and Council of Easton in the name and to the credit of The Easton Electric Commission in some bank in the town of Easton, and no money shall be withdrawn from the deposit of the funds herein provided for except on checks signed by the President of The Easton Electric Commission and countersigned by the Secretary and Treasurer thereof; and no fund shall be drawn therefrom for any purpose, whatever, except the bill for same be previously approved by at least two members of the Commission, exclusive of the President, and as hereinafter provided for by Section 6 of this Act.

SEC. 6. That upon completion of the said electric plant and appurtenances thereto, the duties and powers of the Easton Electric Commission shall cease, and any portion of the fund created by this Act remaining in its hands shall be turned over to such Commission as may be appointed to operate and control said plant, to be used for operating expenses, and if not required for that purpose, shall be applied by the Mayor and Council of Easton to the payment of the interest on said bonds or deposited in some savings bank at interest and applied to the payment of the bonds maturing January 1st, 1919, and thereafter.

SEC. 7. That the Mayor of Easton by and with the consent of the Council shall appoint four of the legal voters and freeholders of the town, not municipal office holders, who, together with the Mayor of Easton, shall constitute "The Easton Electric Commission," to serve without pay except as hereinafter provided, which Commission shall have full charge of the building and construction of the said electric light, heat and power plant, including the selection of the site therefor, and all of the work done under authority of the provisions of this Act, with power and authority to advertise for bids, purchase materials, let contracts and appoint such assistants, including an engineer, as may be required, and do all other things which may be deemed necessary to properly perform the duties for which said Commission shall be appointed; provided, that no material shall be furnished directly or indirectly or any profit or commission be received by any member of said Commission or by any firm or corporation with which any member of the Commission is connected. Each member of the Commission shall give bond with approved corporate security in the sum of five hundred (\$500) dollars for the faithful compliance with the provisions of this Act, the cost of which bonds shall be paid out of the Easton Electric Funds. Each Commissioner, except the Mayor, shall take
