

SECTION 3. *And be it enacted,* That on the second Tuesday in March after their appointment the Commissioners so appointed shall meet at Prince Frederick in an office provided for them by the County Commissioners of Calvert County, and shall qualify by each taking an oath before the Clerk of the Circuit Court of said County "that he will faithfully and diligently and to the best of his ability execute the office of Road Commissioner of Calvert County," and shall then organize by electing one of their number to be President and the other to be Secretary.

SECTION 4. *And be it enacted,* That the said Road Commissioners shall meet at their office in Prince Frederick on the second Tuesday in each month in each year to receive and audit claims for work done or materials provided during the preceding month and to pay for the same upon the presentation and approval of the proper vouchers therefor, keeping a true and accurate account of all sums so paid out and the purposes for which the same may be expended.

SECTION 5. *And be it enacted,* That the said Road Commissioners shall each receive the sum of three hundred dollars per annum to be paid by the County Commissioners of Calvert County.

SECTION 6. *And be it enacted,* That the said Road Commissioners shall have charge and control over all of the public roads of Calvert County, except the State Roads, and which said public roads are to be built and repaired under their supervision and control in such manner and by such means and methods as may be best suited in their judgment to produce the best results in the most economical manner, and the said Road Commissioners shall have charge of all the bridges in the county, except those on the State Road, and whenever any bridges are to be built or repaired at a cost exceeding one hundred (\$100) dollars, it shall be the duty of the said Road Commissioners to advertise the same and let the same to the lowest responsible bidder to be built according to plans and specifications to be furnished by the said Road Commissioners, and the County Commissioners shall levy, upon the written order of the said Road Commissioners, at the next annual levy after the receipt of the order, for the use of the contractor or contractors such sum or sums of money as may be required for the building or repairing of the said bridges as herein above stated, but no amount so levied shall be paid to any contractor until the Road
