

and supplies to be subject to the approval of the Roads Engineer. Said Commissioners shall have all stone crushers, rollers, scrapers and road materials and appliances now in the possession of the Highways Commission of Baltimore County for use in connection with said roads and all other property whatsoever now held by the County Commissioners of Baltimore County as the Highways Commission of Baltimore County, and may, in their discretion, purchase additions thereto. The County Commissioners of Baltimore County shall and may adopt all necessary and reasonable rules, regulations and orders with reference to the proper care, repair, improvement, construction and maintenance of the County roads and bridges and shall have power to make all such rules and regulations with reference to the use of the roads, streets, avenues, lanes, alleys and bridges of the County by telephone and telegraph companies, steam railroad and street railway companies, gas, water and electric light companies, and similar uses thereof, as said Commissioners may consider necessary for the proper protection of said roads, streets, avenues, lanes, alleys and bridges of the County, and the rights of the public therein, and impose reasonable penalties for a violation of such rules and regulations, and make other necessary provisions for the enforcement thereof, and shall have the right from time to time to change or alter the same, and all such rules and regulations when adopted and recorded in a book or books kept for the purpose, shall have the force and effect of municipal ordinances regularly adopted by authority of the Legislature of the State of Maryland; the police, magistrates and constables of the County shall be charged with the duty of enforcing all such rules and regulations; and in addition to other methods of enforcing compliance with such rules and regulations, said County Commissioners or the road supervisor in charge of the road involved shall have the right to apply to the Courts of equity of the State for an injunction to enforce compliance therewith, in which case it shall not be necessary to make other jurisdictional averment than the threatened breach of such rules or regulations, and said Courts shall have jurisdiction to grant such injunction on such allegations being made. A certified copy of any of such rules and regulations shall be deemed proper evidence of the same in any of the Courts of this State.

342. For the purpose of providing an improved system of roads for the entire County said County Commissioners shall have made as soon as the work can conveniently be done a map of the entire County on which shall be shown all the principal
