CHAPTER 562.

AN ACT to require and regulate sewer connections in the towns and villages of Anne Arundel County, Maryland.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That any person or corporation desiring to tap, connect with or open for the purposes of repair, any public sewer in the towns and villages of Anne Arundel County, upon any street which has not been paved, or which is paved with rubber stone, may do so upon the the following conditions: Said applicant shall file with the Clerk to the County Commissioners a petition addressed to the County Commissioners of Anne Arundel County, giving the name of the street to be opened, the exact location of the place to be opened, the number of days it will take to complete the work, and a clause guaranteeing that the applicant will within the time specified place the street bed in as good condition as it was before the opening of said sewer, and that in making said connection he or it will not in any manner damage the County sewer, and that in the event of the street, at the point where said sewer is laid, settling or sinking by reason of said opening, he will cause the same to be repaired to the satisfaction of the County Road Engineer without cost to the County. Said petition when received shall be referred to the County Road Engineer for his approval, and upon such approval and the payment of one dollar to the Clerk to the County
