

County, shall receive the following increase in salaries: Every teacher who has taught at least ten years in the schools of said Frederick County shall receive an increase of ten per cent. on the salary as paid said teacher by the School Commissioners of said Frederick County for the scholastic year 1913-1914, provided that all such teachers shall have an educational preparation for their work, equivalent at least to the course given in any one of the High Schools of said Frederick County; all other teachers shall receive an increase of five per cent. on the salary as paid by the School Commissioners of said Frederick County for the scholastic year 1913-1914, provided they shall have taught three years in the schools of said Frederick County; provided further, that when any of these teachers receiving the five per cent. increase shall have taught ten years in the schools of said Frederick County, and shall have had the educational preparation as previously stated, they shall each receive the additional five per cent. increase on the salary received during the tenth year of their teaching in said schools of Frederick County.

SEC. 3. *And be it enacted*, That the County Commissioners of said Frederick County are empowered, commanded and directed to levy upon the taxable property of Frederick County for sufficient sums to pay the increase as provided for in this Act; and the School Commissioners of Frederick County are empowered, commanded and directed to notify the County Commissioners of said Frederick County in due time of the amount needed to pay this increase; and the School Commissioners of Frederick County are also empowered, commanded and directed to pay over to the teachers of Frederick County the said increase.

SEC. 4. *And be it further enacted*, That this Act shall take effect from the date of its passage.

Approved April 13th, 1914.
