

other schools as make application, through their respective county superintendents, to receive said state aid. The state superintendent of schools shall, on or before the last day of September of each year, prepare a list of high schools, designating the group to which each belongs, the amount of said state aid to which each is entitled, and to whom the same shall be paid. The preparation of this list shall be based on information obtained through inspection, supervision, written reports of the principal or county superintendent, or other reliable sources. He shall certify this list to the Comptroller of the treasury, on or before the last day of September of each year, and the Comptroller of the treasury shall issue his warrant upon the treasurer of the State in equal quarterly instalments in each and every year at the time when the General State School Fund is now, or may hereafter be, distributed, payable to the order of the treasurers of the respective county boards of education, or the board of commissioners of the public schools of Baltimore City, for such sum or sums as they are entitled to receive under the provisions of this article, and shown by the certified list of high schools as aforesaid. Provided that any high school receiving state aid, under the provisions of this article, shall forfeit its right to receive state aid under the provisions of any other act or resolution of the General Assembly of the State of Maryland. Provided, further, that not more than one high school shall be granted state aid under the provisions of this article in the same village, town or city, unless each additional high school has an average daily attendance in excess of two hundred pupils; provided that this provision shall not affect the right of schools on the approved list at the date of the passage of this act to receive State aid.

128. Each county high school in the first group shall receive state aid on the basis of the cost of instruction, and in the following manner: The sum of six hundred (600) dollars on account of the principal, and the sum of three hundred (300) dollars on account of each of the first three assistants employed for regular high school work; the sum of four hundred (400) dollars on account of each of two special teachers, who shall spend not less than two-fifths of their time in the school; and the sum of one hundred (100) dollars on account of each additional regular high school teacher, provided the total amount does not exceed the sum of twenty-five hundred (2500) dollars. In this Chapter the term "special teacher"
