Provided, that the comptroller shall withhold from any county or from the City of Baltimore any instalment from the General State School Fund on notification from the state superintendent of schools that said county or City of Baltimore is not complying with the provisions of this article.

CHAPTER 20.

Colored Industrial Schools.

142. It shall be the duty of the county board of education in each county of the State, when in their judgment there is need thereof, to provide a suitable building or room, or rooms, connected with one of the colored schools of said county, for the establishment of a central colored industrial school, and to provide for the maintenance of such central colored industrial school where instruction shall be given daily in domestic science and in such industrial arts as may be determined by the county board of education. One-half of the appropriation hereinafter provided shall be used for the maintenance of such industrial school.

143. Whenever any such colored industrial school is opened in any county the secretary of the county board of education shall report the fact to the state superintendent of schools, and he, or an assistant designated by him, shall visit the said school and shall give, if in his judgment it is warranted, a certificate of approval of the conditions and the plan upon which said industrial school is conducted, to the secretary of the county board of education. The state superintendent of schools shall submit annually to the Comptroller of the treasury of the State on or before the last day of September, a complete list of such schools as are entitled to receive the special appropriation for industrial education.

144. The Comptroller, upon receiving the certificate of approval from the state superintendent of schools, is hereby authorized and directed to issue his warrant, on the first day of October, each year, upon the treasurer of the State for the sum of fifteen hundred dollars, payable to the order of the treasurer of the county board of education that has inaugurated such a colored industrial school, in equal quarterly instalments, at the time when the General State School Fund is distributed, as provided for in this article.
