

and Interest Account'' in some bank located in Prince George's County a sum sufficient to meet the payment of principal and interest on the bonds authorized under Sections 287 and 288 of this Article in order that the said bonds may be redeemed and cancelled and the interest thereon paid as prescribed therein.

They shall then put aside in a general fund sufficient money to pay the fixed charges provided under this Act, which shall include the sum of \$300 per year each to the County Commissioners as compensation for their duties hereunder, a sum not exceeding \$400 per year as the salary of the Road Clerk, a sum of \$840 each per year for the salaries of the six Road Directors, a retainer of \$100 to the attorney for the County Commissioners for legal advice in connection herewith, such other sums as may be properly payable out of such a general fund and not chargeable to the several road districts and election districts, including the rebate to incorporated towns, and such sum as they may deem advisable to be kept as an emergency fund to be used in their judgment for emergency purposes.

They shall then divide the remainder of said money into six equal parts each of which parts shall be thereafter devoted exclusively to one of the six Road Districts and each of these parts shall be then apportioned by them to the Election Districts or parts of Districts in the Road District to which said part belongs, each Election District receiving as nearly as possible the proportion of said money which its road mileage bears to the total road mileage of its Road District and after such apportionments are made no portion of said money shall be diverted from the Election District to which it has been apportioned. In case there shall not be sufficient money available in any year to start work before the amount of the levy for such year is available, the Board of County Commissioners are hereby authorized to use any surplus funds which they may have in and during the months of March and April, up to the sum of \$10,000. In case such funds are used the Board of County Commissioners shall repay the same out of the first monies received from the road levy of that year.

Sec. 286. The Board of County Commissioners shall have full power at any time when in their judgment it may be necessary to employ an engineer for the purpose of constructing roads or bridges in any part of Prince George's County. They shall have full power to purchase or hire road machinery, rollers, carts, wagons, mules, horses, plows, scrapers, or other things necessary to work the roads and build bridges and culverts, and
