

when it shall appear to such citizen or Commissioner that the delay necessary to the issuing of a warrant will be dangerous to the peace and quiet of the town or to the lives, limbs or property of the citizens and such person or persons shall be entitled to and be given an immediate trial before the Mayor as hereinafter provided that trials may be held or such person or persons may be given a continuance of said hearing to some later date by giving bond or depositing cash as collateral to the amount of not less than twenty-five dollars and such bond or collateral shall be declared forfeited by the Mayor if the offender or offenders shall not appear on the date so fixed.

SEC. 83E. *And be it enacted*, That the limits of the town shall be as now established but may be extended by said Commissioners by filing a certificate with the Clerk of the Court showing the courses and distances of the whole town as extended, and said limits and the location of the streets and thoroughfares of the town, as now established, may be proved by any survey which may appear to have been made by a competent surveyor although such surveyor may be dead and the evidence of his capacity to do such work or of his hand writing may not be able to be shown by living witnesses, provided, however, that the document or a blue print of the same offered as evidence shall show on its face the limits of said town and the streets and thoroughfares therein with such a degree of accuracy as would be recognized and judged to be correct by the older inhabitants of the town or such other persons familiar with the limits and the streets and thoroughfares of the town, and such survey document or blue print of the same shall be received as evidence in any Court of law or Equity in this State; and the Commissioners shall have absolute dominion and control over the property of the town known as the "Commons" and shall have the power to pass ordinances and make rules and regulations necessary to manage and control the same.

SEC. 83F. *And be it enacted*, That the Commissioners shall have full power to open new streets, lanes and alleys in the town and to relocate, straighten, increase or diminish the width of and remove all obstructions from those already located on any ancient survey or plot or blue print of the same made by a surveyor mentioned in the preceding section and to provide for the paving of the said streets and the sidewalks thereof and for keeping the same in repair, and for the proper drainage of said streets, lanes and alleys, and for that purpose to construct sewers, drains and culverts when necessary.
