be paid to the Trustees of the Maryland Agricultural College and to the said Building Committees as the ground authorized is purchased and as the said building and equipment progresses, and upon certificates that the work for which warrants are drawn has already been done.

SEC. 10. *And be it further enacted,* That the State Roads Commission shall furnish to the Comptroller of the Treasury at the end of each fiscal year a complete itemized account of the "overhead" charges for work done throughout the State, said "overhead" charges to include all amounts expended by said Commission, except those paid to contractors in payment of road-building contracts for material and labor actually expended in building such road; and a similar report to the President of the Board of County Commissioners of each County in the State of the "overhead" charges for work done within said County, and a similar report to the Mayor and City Council of Baltimore of the "overhead" charges for work done within said City.

SEC. 11. *And be it further enacted,* That this Act shall take effect on the first day of June, 1916.

Approved April 18th, 1916.

CHAPTER 682.

AN ACT to repeal Article XIX-A of the Annotated Code of Maryland (Bagby's Edition) entitled "Conservation of Natural Resources," consisting of sections 1, 2, 3 and 4, and to re-enact said Article with amendments, so as to create and establish the Conservation Commission of Maryland; to define the functions, duties and powers of said Commission, and to place under its protection and control certain natural resources of the State, including oysters, clams, fish, crabs, terrapin, wild fowl, birds, game and fur-bearing animals; to abolish the Board of Shell Fish Commissioners, the Commissioners of Fisheries, and the State Conservation Bureau; and to provide for the "Conservation Fund," and the expenditures of the moneys in said fund, under the control of said Commission.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That Article XIX-A of the Annotated Code of Maryland
