

proaching traffic, and that no vehicle shall pass another from the rear at the top of a hill or on a curve where the view ahead is in anywise obstructed; any vehicle so overtaken shall promptly, upon signal, turn as far as reasonably possible to the right in order to allow free passage on the left. At the intersection of public highways all vehicles shall keep to the right of the center of such highways, and close to the right hand side of the road when turning to the right, and pass to the right of the center of such intersection when turning to the left.

All vehicles about to turn from the road upon which they are traveling into any intersecting road shall gradually reduce their speed to a point not exceeding twelve miles an hour for a distance of not less than twenty-five feet before beginning to make such turn, and where the view of the intersecting road is obstructed, preserve such reduced rate of speed until the turn has been completed.

All vehicles shall have the right of way over other vehicles approaching at intersecting roads from the left, and shall give right of way to those approaching from the right.

Any person operating any vehicle in a manner contrary to any of the provisions of this section shall be deemed guilty of a misdemeanor, and upon conviction, subject to a fine of not more than twenty-five dollars for each first offense.

SEC. 2. *And be it enacted*, That all Acts and parts of Acts, Laws and parts of Laws, Ordinances and parts of Ordinances, inconsistent herewith or contrary hereto, be and the same are hereby repealed to the extent of such inconsistency.

SEC. 3. *And be it enacted*, That this Act shall take effect July 1, 1916, provided that all registration certificates and markers issued and paid for prior to July 1, 1916 shall be good until December 31, 1916.

Approved April 18th, 1916.
