

as hereinbefore provided. And shall also perform all the other duties of a local registrar provided in this Act.

No sexton or person in charge of any premises in which interments are made shall inter or permit the interment or other disposition of any body unless it is accompanied by a burial permit, as provided in this Act. And each sexton or person in charge of any burial ground shall indorse upon the permit the date of interment, over his signature, and shall return all permits so indorsed to the local registrar of his district within ten days from the date of interment. He shall also keep a record of all interments made in the premises under his charge, stating the name of the deceased person, place of death, date of burial and name and address of the undertaker.

SEC. 11. No interment of the dead body of any human being, or disposition thereof by entombment, cremation, transportation, interment or any other manner or form of disposition shall be made without a permit as aforesaid from the local registrar or deputy local registrar of the district where said person died, or otherwise than in accordance with such permit.

The certificate of death shall be filled out and signed by the physician last in attendance upon the deceased person within 24 hours after death, excepting in such cases where the body is viewed by the coroner and an inquest is held upon the same, in which case the certificate of death shall be filled out and signed by the coroner. In case of death without medical attendance or in case of sudden or violent death in which the coroner does not deem it necessary to hold an inquest, the certificate of death shall be executed and signed by the local registrar or deputy local registrar from the best information available, and all such certificates of death shall be presented to the undertaker or other person authorized to make disposition of the body. No person whose duty it is under the provisions of this Act to make out and sign a certificate of death shall make out and sign more than one certificate of death, except those authorized to do so under the provisions of this Act. In all cases of death from smallpox, yellow fever, diphtheria, scarlet fever or other contagious or infectious disease dangerous to public health, the interment shall be conducted according to the rules of the State Board of Health.

The transportation of the body of any diseased person from one district to another district, or from one County into
