

C: To agricultural seed sold by one farmer to another: provided that if such seed is advertised for sale and is delivered through a common carrier, then the seller shall be deemed to be a vendor and said seed and seller shall be subject to all the requirements of this Act.

104. No statements regarding the quality of any agricultural seeds or mixtures, if inconsistent with the requirements of this Act, may be written or printed on the tag or label, or placed inside, or affixed to any container or bulk of agricultural seeds of mixture sold, offered or exposed for sale or distribution, or held in possession with intent to sell for seeding purposes within the State of Maryland.

105. Agricultural seeds shipped to any point within the State of Maryland, for seeding purposes, shall be subject to the provisions and requirements of this Act, and transportation companies shall be required to see that all such agricultural seeds, when delivered, are tagged or labeled as provided herein.

106. The duty of carrying out the provisions of this Act shall be vested in the State Board of Agriculture of Maryland, which Board shall be empowered to adopt such "rules and regulations" as may be deemed necessary in order to secure the efficient enforcement of this Act; provided that such rules and regulations shall be issued under the title "Official Notice to Seed Dealers," and distributed to the seed merchants and vendors of Maryland, over a definite date of distribution and indicated as signed by the chief seed officer and one other representative of the State Board of Agriculture; and further provided that such "Official Notices" shall not become effective until 15 days after the date of each such notice. Said State Board of Agriculture shall have authority to obtain samples of any seed sold, offered or exposed for sale, or held in storage with intent to sell for seeding purposes within the State of Maryland, and any inspector, analyst, deputy, or other officer appointed by said Board, or its authorized representative, shall have authority to enter any store or warehouse, room or building, station, depot, or wharf where seeds may be sold, offered or exposed for sale, stored, received for transportation, held for delivery, or waylaid in transit, for the purpose of enabling said officer or officers to inspect the labeling, collect samples for analysis, and obtain any other information needed for the work of the inspectors or analysts. At the time of taking of a sample there shall be made a record of the labeling and other information desired by the inspecting officer, and a carbon copy of
