CHAPTER 712.

AN ACT to authorize the County Commissioners of Wicomico County, State of Maryland, to issue bonds for the purpose of making additions and improvements to the public school buildings and equipments thereof in Wicomico County; and for the payment of the cost of the two lift bridges on the south prong of the Wicomico River in Salisbury, at South Division and Camden Street; and to the building of suitable bridges over the north prong of the Wicomico River in Salisbury, Maryland, and at Wetipquin Creek in Tyaskin District in Wicomico County, aforesaid; and for the building of State-aided roads in said County; and

WHEREAS, The very large increase in the number of pupils attending the public schools and the necessity of repairs to the public school buildings and the equipping of same and the public necessity for more school accommodation has become absolutely necessary; and

WHEREAS, There is a balance due on the lift bridges across the South Branch of the Wicomico River in Salisbury at South Division Street and Camden Avenue; and a new bridge must be built over the North Branch of the Wicomico River in Salisbury in place of the old one; and building a new bridge is necessary over Wetipquin Creek in said County; and

WHEREAS, The continuous demands for State-aided roads in Wicomico County cannot be met without a large increase of the tax levy; therefore,

**SECTION 1.** *Be it enacted by the General Assembly of Maryland.* That for the purpose of making additions and improvements to the public school buildings in Wicomico County, and for the payment of the cost of the two lift bridges on the South Prong of the Wicomico River in Salisbury, and the building of a new bridge over the North Prong of the Wicomico River at Main Street in Salisbury, and a suitable bridge at Wetipquin Creek in Wicomico County, aforesaid, and the building of State-aided roads in said County, the County Commissioners be, and they are hereby authorized and directed to issue and sell bonds, said
