

to such records at any time. Every such licensee shall submit a monthly report to the Secretary of the State Board of Health, setting forth in itemized particulars the quantities and kinds of articles of food in his cold storage warehouse. Such monthly reports shall be filed on or before the fifth day of each month, and the reports so rendered shall show the conditions existing on the last day of the preceding month reported and a summary of such reports shall be prepared by the Secretary of the State Board of Health and shall be open to public inspection on or before the tenth day of each month.

Section 177M. The Secretary of the State Board of Health shall inspect and supervise all cold storage warehouses and make such inspection of articles of food therein as it may deem necessary to secure the proper enforcement of this act, and it shall have access to all cold storage warehouses at all reasonable times. The Secretary of the State Board of Health may appoint such persons as it deems qualified to make any inspection under this act.

Section 177N. No article of food intended for human consumption shall be placed, received knowingly or kept in any cold storage warehouse, if diseased, tainted, otherwise unfit for human consumption, or in such condition that it will not keep wholesome for human consumption. No article of food, for use other than for human consumption, shall be placed, received or kept in any cold storage warehouse unless previously marked, in accordance with forms to be prescribed by the Secretary of the State Board of Health, in such a way as to indicate plainly the fact that such article of food is not to be sold or used for human food.

Section 177O. No person, firm or corporation shall place, receive or keep in any cold storage warehouse in this state articles of food unless the same shall be plainly marked, stamped or tagged, either upon the container in which they are packed, or upon the article of food itself, with the date when placed therein; and no person, firm or corporation shall remove, or allow to be removed, such article of food from any cold storage warehouse unless the same shall be plainly marked, stamped or tagged, either on the container in which it is enclosed or upon the article of food itself, with the date of such removal, and such marks, stamps and tags shall be prima facie evidence of such receipt and removal and of the dates thereof. All articles of food in any cold storage warehouse at the time
