

SEC. 6. Every person who was engaged in the practice of chiropody in this State previous to January 1st, 1916, shall file with the Board of Chiropody Examiners, on or before the First Day of August, 1916, a written application for a certificate to practice chiropody, together with proof satisfactory to the Board that the applicant is not less than twenty-one years of age, and was actively engaged in the practice of chiropody in this State at the time of the approval of this Act, and upon the payment by the applicant of a fee of Ten Dollars, the said Board of Chiropody Examiners shall issue to such applicant a certificate authorizing him to practice chiropody in this State which certificate shall confer upon the said applicant all the rights and privileges conferred by certificates issued after examinations. The said certificate shall be registered by the person receiving the same in the same manner as certificates are required to be registered with the Clerk of the Circuit Court of the county in which the applicant resides, or, if the applicant resides in the City of Baltimore, in the office of the Circuit Court of Baltimore City, as provided by Section 4 of this Act.

SEC. 7. It shall be the duty of the Police Commissioners of Baltimore City, and of the Sheriff of each County in the State, to see that all practicing chiropodists in the State shall be legally registered according to the provisions of this Act, and to report to the State's Attorney of the City or County all cases of the violation of this Act, whereupon the State's Attorney shall promptly prosecute those violating any of the provisions of this Act.

SEC. 8. From and after the approval of this Act any person not heretofore authorized to practice chiropody in this State and desiring to enter upon such practice, shall file with the said Board of Chiropody Examiners, upon payment of a fee of Fifteen Dollars, a written application for examination, together with satisfactory proof that the applicant is not less than twenty-one years of age, is of good moral character and has obtained a preliminary education which is equivalent to two years instruction in a high school. The fact that such instruction has been received by the applicant must be evidenced by a certificate satisfactory to the said Board of Chiropody Examiners. Such applicant must also, before presenting him or herself for examination, be a graduate of a reputable and legally incorporated school of chiropody, acceptable to the Board, or must, (in addition to the preliminary
