

SEC. 4. *And be it enacted*, That for the purpose of raising the necessary money for purchasing said site and for building said school building and furnishing the same, and providing the heating apparatus therefor, and for all proper purposes incidental thereto, the County Commissioners of Caroline County, upon the written demand of the building committee provided for in this Act, transmitted to the said County Commissioners through the said School Commissioners of said County, are hereby authorized, empowered and directed, within thirty days from the receipt of such demand, or as soon thereafter as possible, to borrow on three promissory notes of the said County Commissioners of Caroline County the sum of fifteen thousand dollars, or so much thereof as may be called for by the said written demand, to be applied in the manner hereinafter directed, each of which notes shall be for the sum of five thousand dollars, and payable, respectively, one, two and three years after date, with interest thereon at a rate not exceeding six per centum per annum.

SEC. 5. *And be it enacted*, That the said County Commissioners of Caroline County, be, and they are hereby, empowered and directed to levy a tax on the assessable property of Caroline County sufficient to pay the notes and interest when they respectively become due and payable.

SEC. 6. *And be it enacted*, That the money arising from the notes hereinafter authorized shall be paid to the School Treasurer of said County, and the funds so realized from the said notes shall be applied to the purposes set forth in this Act, and to no other purpose whatsoever, and shall be paid by the said School Treasurer upon the order of said building committee from a warrant book especially authorized by said committee, with the said warrants numbered consecutively, and the said Treasurer is hereby authorized and directed to pay the contractor or contractors employed by said building committee in accordance with the terms of their said contract, upon the warrant of the said building committee, with such sum or sums of money as shall be certified in said warrants, that such contractor or contractors are entitled to in the performance of the contract, and shall pay upon the warrant of said building committee the cost of plans and specifications of the work proposed to be done, the salary or commission of the supervising architect, and such other expenses as said building committee may properly have incurred in the discharge of its duty, and
