

may deem expedient for carrying said system of sewerage, projected and adopted as aforesaid into full effect.

(e) To incorporate with said system of sewerage or otherwise utilize for the purpose of this Act, so far as it may deem expedient, any or all existing public sewers or drains, including storm water sewers and drains, in the County of Baltimore, and any or all of their appurtenances, either in their present condition or with such repairs, modifications or changes as said Commissioners may see fit to make, and to condemn, close up, abolish, in its discretion, any or all such existing public sewers and drains, or to alter their functions, or to increase their burdens, as it may think best.

(f) To frame, promulgate and enforce such reasonable rules and regulations for the supervision, protection, management and conduct of the work done in connection with the establishment or maintenance of such sewerage system or systems, or drainage system or systems.

(g) To make and enter in the name and on behalf of the County Commissioners of Baltimore County any and all contracts, agreements and stipulations germane to the scope of their duties and powers under this Act.

(h) To purchase, hire or otherwise lawfully obtain the use of all such machinery, tools, implements, appliances, supplies, materials and working agencies as it may need for its purposes; provided, however, that this enumeration of special powers shall not be construed as restricting in any degree the scope of the general powers hereinbefore conferred upon said Commissioners.

(i) To acquire by gift, purchase, arbitration, exchange, lease or other like methods of acquisition, or by condemnation, any land, or property, public, quasi-public or private, situated in Baltimore County, or any easement, interest, privilege or franchise therein, which may be required for any of the purposes of this Act, including the establishment, construction, operation, maintenance, repair, replacement, extension or enlargement of sewerage systems, trunk and lateral sewer mains, disposal fields, purification or filtration plants, or other like facilities, appurtenances or adjuncts that may be required for any of the purposes of this Act.

SEC. 2. *Be it enacted by the General Assembly of Maryland,* That whenever fifty or more of the taxable inhabitants of any part of Baltimore County which could conveniently
