

or person receiving same shall not deliver said nursery stock to the consignee or agent representing the consignor, and said agent of the transportation company, firm or person shall notify the State entomologist or State pathologist at the Maryland State College of Agriculture and said State officer receiving such notification shall immediately notify any justice of the peace of this State to issue a summons for the consignee, and the agent or consignor, if he be known, of such carload, bale, box or package of nursery stock, to appear before him on a certain day to be named therein, to show why such trees, plants, vines, shrubs, buds or cuttings should not be seized as being in violation of the provisions of this sub-title, and on trial thereof, if said justice be satisfied that the provisions of this sub-title have been violated, said justice shall order said agent or consignee to return such carload, box, bale or package of trees, plants, shrubs, vines, buds or cuttings immediately to the shipper or consignor unless said consignee or agent of the consignor at his expense shall forthwith have said nursery stock examined by the State entomologist and the State pathologist of this State, and said officers certify to such justice of the peace that said nursery stock is apparently free from the insects and diseases mentioned herein and tag every such carload, box, bale and package inspected by said officer, with their certificate of inspection, and if said agent or consignee shall fail to have said nursery stock examined by said State officials or fail to return such carload, box, bale or package thereof, then said justice of the peace shall order and direct the constable or sheriff to burn and destroy all trees, plants, shrubs, vines, buds or cuttings that have been shipped into this State in violation of this sub-title.

91. Before any agricultural lime is sold, offered or exposed for sale in this State, the manufacturer, importer, agent or seller thereof shall pay to the State Chemist at the Maryland State College of Agriculture an inspection fee of \$15.00 for each brand or kind of agricultural lime sold or offered for sale and shall receive from said State Chemist a license to sell such brand or kind of agricultural lime until the first day of January next following; provided that when any manufacturer, importer, agent or dealer shall have paid the inspection fee as herein provided it shall not be necessary for any other person as his agent or representative to pay such fee.

93. The State Chemist of the Maryland State College of Agriculture shall annually analyze or cause to
