

County, and one by the Board of Trade of said town of Cambridge; said appointments to be made on or before the first day of May, 1916. Said Building Committee shall have authority to purchase land when needed for the sites for new school buildings and to adopt plans and make contracts for the erection of new public school buildings or repairing, renovating or enlarging old public school buildings, provided that all such plans and contracts shall have the approval of the Board of County School Commissioners of Dorchester County before being legally effective and binding, and provided further, that all land purchased for the site of new public school buildings shall be granted and conveyed in fee simple to the Board of County School Commissioners of Dorchester County. No member of said Building Committee shall be interested in a pecuniary way in any contract made in pursuance of the authority and powers herein conferred on said Building Committee, nor shall any member thereof receive any remuneration for his services as such, but all reasonable expenses of said Building Committee, not exceeding two hundred and fifty dollars, shall be paid as other bills are paid, out of the proceeds of the sale of the bonds hereinbefore authorized.

SEC. 5. *And be it further enacted,* That the said Building Committee, if the work of repairing or constructing new school houses is put on contract, shall require the successful bidder, or the contractor to whom the work is awarded, to make a contract in writing for the faithful performance of his work, whenever the amount of the proposed expenditure exceeds the sum of \$500.00, and in the said contract the said builder or contractor shall agree, as part of his contract, to pay for all labor employed by him on such building and for all materials used in the construction of the same, and shall give bond for the faithful performance of the said contract, including the payment for all labor and material, such bond to be approved by the said Building Committee, and the said bond shall be given to the State of Maryland as obligee and shall be subject to suit by the said Board of County School Commissioners of Dorchester County or by any laborer on said building or by any person furnishing materials for the same; the contract for such work to be signed in usual form by the aforesaid Building Committee.

SEC. 6. *And be it enacted,* That the funds realized from the sale of the aforesaid bonds shall be paid out by the said Board of County School Commissioners upon the order of the said Building Committee, said orders to be from a warrant book
