

WHEREAS, The taxable wealth of Calvert County is so small that a levy of 27 cents on each \$100 would be required to raise the sum of \$10,000 necessary to construct a modest high school building; Therefore

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the Comptroller of the Treasury be and he is hereby authorized and directed to draw his warrant on the Treasurer of the State in favor of the Treasurer of the Board of County School Commissioners of Calvert County for the fiscal years of 1916 and 1917 for the sum of five thousand dollars for each of the fiscal years aforesaid; the same to be paid out of the receipts from the public school tax, before making the regular apportionment of same; provided that no part of said appropriation be expended for any purpose other than the construction of a high school building in said County.

SEC. 2. The location of the high school shall be made by the School Commissioners of Calvert County with the approval of the Superintendent of the State Board of Education.

Approved April 18th, 1916.

CHAPTER 296.

AN ACT authorizing and directing the County Commissioners of Montgomery County to issue bonds to an amount not to exceed Fifteen Thousand Dollars (\$15,000) for the purpose of building, improving and relocating a portion of the public road known as the Dickerson-Martinsburg Road from the Monocacy School House Corner by way of the Iron Ridge Road to the Poolesville-White's Ferry Road at C. S. Field's store, a distance of about five miles; provided, that certain donations be made, as hereinafter provided, to the said County Commissioners to be applied by them for the purposes herein; and to collect and levy taxes in the Third Election district of said County for the payment of said bonds and interest coupons thereon.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the County Commissioners of Montgomery County be and they are hereby authorized and directed to issue bonds in an amount not to exceed Fifteen Thousand Dollars (\$15,000) for the purpose of building and improving a portion
