

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 19 of Article 97 of Bagby's Code of the Public Civil Laws of Maryland, title "Weights and Measures," as said section was amended by Chapter 802 of the Acts of 1914, be, and the said section is hereby, repealed and re-enacted with amendments, so as to read as follows:

Section 19. The Standard barrel for the measurement of all green peas, or beans in the hull for which a heaping measure is now given, shall be of the following dimensions, namely: diameter of said barrel at the top shall be eighteen and three-fourth inches inside the staves, the diameter at the bottom inside the staves shall be sixteen and one-fourth inches, and the depth of said barrel shall be twenty-six inches inside, and to contain in all six thousand two hundred and fifty-three and three-fourth cubic inches, measurement by said barrel to be struck measure. The dimensions of any barrel so used shall be stamped by the inspector of weights and dry measures of the City of Baltimore upon the same in three conspicuous places and any person using a barrel for the measurement of peas, beans and like farm products without being so stamped shall be fined not less than one hundred dollars nor more than five hundred dollars, said fines to be collected as other fines are now collected.

SEC. 2. *And be it further enacted*, That this Act shall take effect from June first, 1916.

Approved April 18th, 1916.

CHAPTER 376.

AN ACT to continue in existence the Educational Survey Commission created by Chapter 844 of the Acts of 1914, in order that said Commission, in conformity with said Act, may continue its survey so as to include the higher educational institutions of the State of Maryland; to endow said Commission with all the necessary power and authority to make such a survey, and to appropriate a sum of money for the expenses of said commission.

WHEREAS, by Chapter 844 of the Acts of 1914 the General Assembly of Maryland created a Commission for the purpose of making a comprehensive study of the public school system
