

and act upon such other matters as may properly come under the provisions of this sub-title; provided that the Mayor may call additional special meetings of the local Board of Health when in his judgment it shall become necessary. The said local Board of Health shall act in conjunction with the State Board of Health, and shall report or cause to be reported to said Board any unusual epidemic or the prevalence of any infectious disease and such other facts in reference to the sanitary condition of the City as they may deem important or necessary. And in case of any unusual epidemic or the prevalence of any infectious disease, the County Board of Health shall take charge of the situation and take the necessary and proper steps to control the same, whenever notified by the City Board of Health to do so, under and by virtue of the provisions of the Annotated Code, Art. 43, Sec. 40.

Section 100a. Such local Board of Health shall appoint in the month of June, 1916, and every two years thereafter, or as soon thereafter as practicable, a city health officer; a successor shall be appointed by the local Board of Health as soon as practicable; the city health officer shall hold office for two years from the date of his appointment, but may be removed by the State Board of Health for cause upon charges made and considered at a regular meeting of said Board.

Section 100b. Such health officer shall maintain in Crisfield an office where shall be kept all the records and data pertaining to his duties under this charter, and which records and data shall belong to the Mayor and Council of Crisfield. He shall meet with and report to the Mayor and Council at the regular or special meetings of said Mayor and Council as a Board of Health, as hereinbefore provided and shall keep minutes of such meetings; he shall be ex-officio Local Register of vital statistics for the City of Crisfield, and shall receive an annual salary as fixed by the Mayor and Council.

Approved April 18th, 1916.
