

ary of each year to the Governor, and such reports have been regularly and fairly made, and whereas it is far more convenient to report as of the 30th of September in each year and it is a decided advantage to have the Sanatorium's fiscal year end on the 30th of September on the same day and date as the end of the State's fiscal year.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the Board of Managers of the Maryland Tuberculosis Sanatorium created by Chapter 308 of the Acts of the General Assembly of Maryland, Session of 1906, shall make a report of its proceedings, receipts and expenditures to the Governor of the State as of the 30th day of September 1916, and annually thereafter.

SEC. 2. *Be it further enacted*, That all acts or parts of acts inconsistent with the provisions of this Act be and the same are hereby repealed in so far as such inconsistency exists.

Approved April 11th, 1916.

CHAPTER 498.

AN ACT to add a new section to the Revised Charter of Baltimore City, relating to pensioning of aged or disabled employees of the City, said section to follow 36C and to be designated 36D.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That a new section is hereby added to the Revised Charter of Baltimore City, relating to making provision for aged or disabled employees of the City, said Section to follow 36C and to be designated 36D, and to read as follows:

36D. The Board of Estimates are hereby authorized to include in the Ordinance of Estimates, provided for in Section 36, such appropriation as may be necessary to make reasonable provision for employees of the City who have become, or shall hereafter become, unable to efficiently perform the duties of their employment through injury received while in the discharge of their duties in such employment; and also to make similar provision for persons who have been not less than ten years in the employment of the City and who have become, or may hereafter become, unable to efficiently perform the duties of their employment through age or disease. Such provision
