

being passed by a yea and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly, the same shall take effect from the date of its passage.

Approved October 1, 1920.

CHAPTER 7.

AN ACT to authorize and empower the Mayor and Councilmen of Frederick to borrow upon the faith and credit of the corporation of Frederick such sum or sums of money, not to exceed seventy-five thousand (\$75,000.00) dollars, necessary to provide for the installation of a new municipal electric lighting system and for such street and sewer work as the said the Mayor and Aldermen of Frederick may consider necessary for the public safety.

WHEREAS, It has been found by the Mayor and Aldermen of Frederick, since the last regular session of the General Assembly of Maryland, to be an emergency and necessary for the preservation of the public safety, to provide for the City of Frederick a new municipal electric lighting system; and

WHEREAS, The work upon the said electric lighting system should be commenced at the earliest possible moment, and bids have been opened by the said the Mayor and Aldermen of Frederick to ascertain the cost of said work, and it has been found that the said cost will be more than can be provided from the present funds of the City of Frederick; and

WHEREAS, It has been found to be an emergency and necessary for the preservation of the public safety to do certain street and sewer work in the City of Frederick, and the said work can not be done with the funds to be derived from the taxes levied for the year nineteen hundred and twenty and from the other sources of revenue of the said city; and

WHEREAS, It is necessary, in the opinion of the said the Mayor and Aldermen of Frederick, to borrow upon the faith and credit of the corporation of Frederick the sum
