

CHAP. 138.

CHAPTER 138.

Passed Mar. 4, 1837. *An act to provide for the building of a Court House, Clerk's Office, Register's Office, Gaol, and Poor's House, in Carroll county.*

Select sites

SECTION 1. *Be it enacted by the General Assembly of Maryland, That the commissioners of the tax in and for Carroll county be, and they are hereby authorised and directed to select sites for the erection thereon of a court house, clerk's office, register's office, gaol, and a poor's house in said county, and on the part of said*

Make contracts

county to contract, agree for and purchase the land necessary for the erection thereon of said buildings, and also to contract, agree and pay for and superintend the

Cost limited

erection and construction of said buildings; provided nevertheless, that the whole cost of the said land and buildings shall not exceed the sum of twenty thousand

Levy limited]

dollars, and provided also, that the said commissioners for the purposes of this act, shall not levy more than four thousand dollars for any one year; and the said court house, clerk's office, register's office, gaol, and

Appropriated for those purposes

poor's house when erected, finished and completed shall be used, taken, held and deemed to be the proper court house, clerk's office, register's office, gaol, and poor's house of Carroll county, and provided also, that said commissioners procure a site or sites for said court house, clerk's office, register's office, and gaol at the town of Westminster in said county.

Levy \$4,000 annually

SEC. 2. *And be it enacted, That the commissioners of the tax for Carroll county are hereby authorised, directed and required to assess and levy on the property of said county at the time of levying their public levies in each and in every year, for five years annual-*

Amount

ly, the sum of four thousand dollars, until they have levied in the whole the sum of twenty thousand dollars, the whole of which if in their opinion deemed necessary

First levy

may be by them applied to the erection and establishment of the aforesaid public buildings, and the first levy shall be made during the present year, eighteen hundred and thirty-seven, and so on for each consecutive year until the whole twenty thousand dollars shall be levied, together with the collectors commission for collecting the same, which commission shall be such as is
