

**CHAP. 181.** person who shall receive the next highest number of votes for said office, if he shall be commissioned to act as sheriff, shall give like bond within thirty days from the date of his commission, and shall not be qualified to act as such before the execution of said bond; and that any person who may be commissioned to execute the office of sheriff for Carroll county, for the residue of said term, shall before he acts as such, give like bond within thirty days from the date of his commission, which said bond or bonds shall be kept by the person or persons before whom the same may be taken, until the same can be delivered by the said person or persons, to the clerk of Carroll county, to whom the said person or persons shall deliver the said bond, as soon as is practicable, after the execution thereof, to be by him recorded; which said bond or bonds shall, in all and every respect, be on the same footing as the sheriffs' bonds of other counties.

Recorded  
Valid

Notice of elec-  
tion

**SEC. 7.** *And be it enacted,* That the Governor shall give such notice of the time of holding said election, as he may deem proper, by proclamation; and also shall and may give notice to the said judges of election in any manner he may deem right and proper, of their appointment under this law.

Oath of office

**SEC. 8.** *And be it enacted,* That the said judges of election, mentioned in the first section hereof, shall severally qualify before they act as such, by taking the oath now prescribed by the constitution and laws of this State, before the same persons, and in the same manner as the judges of election in this State are required to do.

## CHAPTER 181.

Passed Mar. 14, 1837, *An act for building a Bridge over Deer Creek, at or near William Pyle's Saw-Mill, in Harford County.*

**Commissioners** **SECTION 1.** *Be it enacted by the General Assembly of Maryland,* That William Pyle, Joseph Parker, and John Robinson, of Joseph, be, and they are hereby appointed commissioners, to fix upon a site for a bridge over Deer Creek at or near William Pyles' Saw-Mill,
